

DEL 32

A NEW STORY BEGINS

Una storia di mobili metallici per navi,
di razionali arredamenti per il settore sanitario.
Forme nate all'insegna della funzionalità
che "Del '32" fa rivivere: attuali e armoniose.

A history of metal furniture for ships,
of rational furniture for the health sector.
Forms which arose under the banner of functionality
now live again thanks to "Del '32":
contemporary and proportioned.

EUROPEAN

ROOTS, GLOBAL APPROACH

CDICOM

Sopra, un sedile.
Sotto, un ripiano per borse o pacchetti.
L'incontro fra efficienza e sobrietà origina
la condizione ideale per concentrarsi sulla bellezza.

Above, a seat,
Below, a shelf for bags or packets.
The encounter between efficiency and simplicity
creates the ideal conditions to focus on beauty itself.

A BEAUTIFUL PLACE FOR
THINKING

12 | 13

Una seduta perfetta per musei e gallerie:
solida, lineare, mai intrusiva, e soprattutto comoda.
Perché l'arte s'apprezza meglio quando si è a proprio agio.

A perfect seat for museums and galleries:
solid, linear, never intrusive and, above all, comfortable.
For art is better appreciated when one is at one's ease.

AN ARTWORK

“... non ci saranno più confini tra artigianato, scultura e pittura; tutti questi aspetti saranno una cosa sola: architettura”.
Bruno Taut, Programma sull'architettura, 1918.
Non è questa l'essenza del design, ancor oggi?

“...there will no longer be any boundaries between craftwork, sculpture and painting; all of these aspects will unite as one phenomenon alone: architecture.” Bruno Taut, A Programme for Architecture, 1918. Is this not the very essence of design, even today?

THE MEANING OF DESIGN, TODAY

Il tempo, in fondo, non consuma i segni della bellezza: che supera i decenni inalterata, testimone d'ingegno e d'autentica classe. Solo le mode passano, lo stile vero resta.

Time, in essence, does not erase the marks of beauty: which survives decades unaltered, a witness to genius and to true class. Only fashion fades, but real style lives on.
