

# Open Air

Design Roberto Pamio

Il tempo di lavoro è anche tempo di vita. Open air trasforma lo spazio del lavoro per migliorare ergonomia, funzionalità e sensazioni. Open air è un programma di arredi per ufficio di alta immagine che offre ampie ed ospitali scrivanie, tavoli riunione di varie forme e dimensioni, contenitori, cassettiere. I piani di lavoro sono disponibili in legno con diverse finiture e sono sostenuti da robuste gambe con struttura metallica.

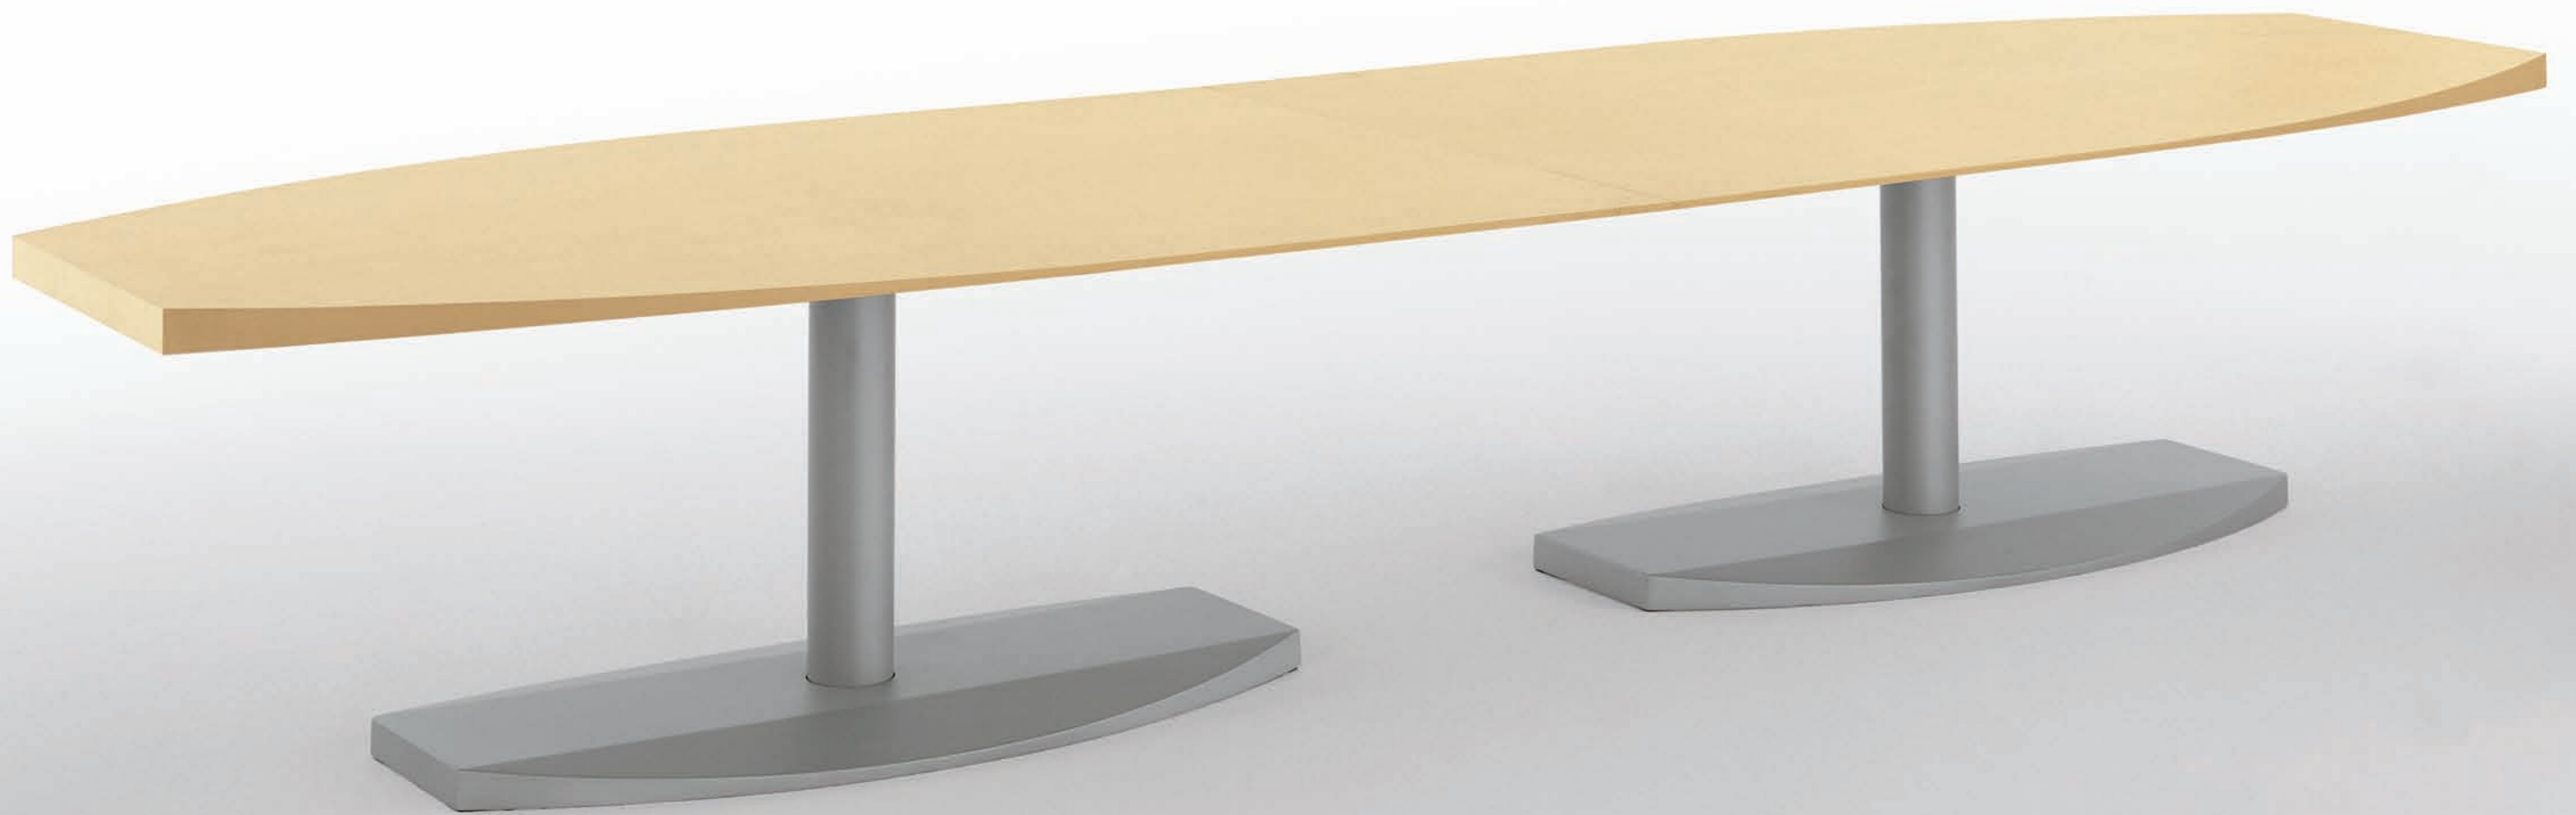

Working time is also life time. Open air transforms working space to refine ergonomics, functionality and sensations. Open air is a programme of upscale office furniture including spacious and user-friendly writing desks, conference tables of various shapes and sizes, storage units, chests of drawers. The available work tops are made of wood with different finishes and are supported by strong legs with a metal structure.
